

The diagram illustrates the structure of the CMakeFiles directory. It is represented by a light blue rectangle with a dashed border. Inside this rectangle, the text 'CMakeFiles' is centered at the top. Below it, there is a solid black rectangular frame. Inside this frame, on the left side, is a smaller light blue box with a solid black border containing the text 'src'. To the right of this 'src' box, the text 'main.dir' is displayed.

CMakeFiles

src

main.dir
